Appreciated Apprentices
I inform that the recording of the Fourth Virtual Session- Activity 3 is in the button "Contenido del curso", Proyecto, Online Session folder,"Web Conferencing Recordings folder" , finally "Fourth Vitual Session", in this folder is the link to access the recording.
It is important for you to see this virtual session, during the session the topics of the activity3 was review and practice, speaking exercise was done and the instruction to perform the evidence was given. If after seeing the session you have double it is important to clarify them before starting to develop the evidences of the activity so you can have an excellent performance.
The topics that was devecpof Activity 1 are: Describing people and places, and Comparative and Superlative.
I hope you take the time to see and hear the recording.
I remind you that the activity that you should be doing this week is the Activity 3.
Our week phrase is ""Believe in yourself and what you are, be aware that there is something inside you that is bigger than any obstacle. - Christian D. Larson.""
