| OBLIGACIONES GENERALES DEL CONTRATO<br>(Las estipuladas en la minuta del contrato)                                                                                                                                                                      | AVANCE ACTIVIDADES<br>(Desarrolladas en el periodo objeto del informe - referente a la obligación)                                                                                     | CUMPLE | NO CUMPLE |
| 1 Prestar sus servicios con diligencia, oportunidad, calidad e idoneidad técnica y profesional, asumiendo todos los riesgos, para realizarlos con sus propios medios, con libertad y autonomía técnica.                                                 | Se prestó apoyo a los diferentes proyectos asignados, dentro del giro ordinario de las actividades del proyecto ZPP.                                                                   | X      |           |
| 2. Disponer de los elementos tecnológicos necesarios para la prestación de sus servicios profesionales.                                                                                                                                                 | Se desarrollaron todas las actividades del presente periodo utilizando medios tales como el correo electrónico institucional y plataformas como secop II.                              | X      |           |
| 3. Obrar con lealtad, responsabilidad y buena fe durante la ejecución del contrato.                                                                                                                                                                     | Durante el presente periodo se desarrollaron las actividades derivadas de las obligaciones con lealtad, responsabilidad y buena fe.                                                    | X      |           |
| 4. Cumplir con el objeto del contrato, presentando los informes que le sean requeridos.                                                                                                                                                                 | Se presentan los informes necesarios para la ejecución del contrato dentro de los términos establecidos para tal fin.                                                                  | X      |           |
| 5. Tener en cuenta las observaciones y recomendaciones que formule el supervisor del contrato, y el/la Gerente General de La Terminal con el fin de que el servicio se realice a entera satisfacción de la Entidad.                                     | Se acatan las observaciones provenientes desde Gerencia General y por parte del supervisor del contrato dentro de la ejecución de las actividades relacionadas en el presente informe. | X      |           |
| 6. Atender con prontitud y diligencia las actividades solicitadas en cumplimiento de las obligaciones establecidas en el contrato y en el ordenamiento jurídico aplicable a los asuntos objeto del contrato, acorde al servicio profesional contratado. | Durante el presente periodo no se solicitaron conceptos jurídicos.                                                                                                                     | X      |           |
| 7 permanecer afiliado y a paz y salvo con los sistemas de salud y pensión, donde su ingreso base de cotización                                                                                                                                          | En la revisión de los documentos precontractuales y contractuales se realizaron las observaciones que se consideraron pertinentes, así como los                                        | X      |           |

|                                                                                   |                                                                                                                    |         |                              |                                                                                     |
